

US CLUB NATIONAL CUP IX 2010

The summer of 2010 will see the third annual Jamestown Soccer Club (JSC) US Club program. 2009 was an amazing year as it saw the 92 Boys Gold win a National Title and the 93 Boys Gold finish runners up.

This is a competitive summer soccer program designed to give players the chance to compete for Regional and National Championships. The JSC US Club program will support the development of our players in a strong, competitive environment while being coached by a member of the JSC technical staff or a nationally qualified head coach. Teams and players will be invited to participate by the technical staff with each team being provided a training, game and tournament schedule.
